oh

I do not pull traliers.

Here is a list of my basic needs that must be part of the purchase. And this is why I am leaning towards the touareg or MI.

- 1 very comfortable interior, memory seat, good stereo quality leather etc.
- 2 Low range. Is a must for me.
- 3. fairly large vehicle b/c of wife and kids.
- 4. something fun to drive, b/c tired of boring cars.
- 5. somewhat economical.
- 6. very low cabin noise.
- 7. good amount of power for when its needed.
- 8. something that if armored, will be able to handle the extra weight 280 350 kilo without a problem.
- 9 a luxurious ride quality,
