

Lieferzeit? 3 - 4 Monate ?

Beitrag von „garanti1“ vom 6. Juni 2010 um 20:29

Yes´I´ll we do that. The different I have notes so far is that the version to Sweden have more standard equipment in general for the V6 TDI model. If you do understand some Swedish see more on <http://www.vw.se> . The page is very similar as the German site.

I will send some photos as soon the car is in my hand:).

I do understand German in written but unfortunately I can´t spell.

Pontus
