

Summerholiday Iceland 2010

Beitrag von „JH-W12“ vom 19. August 2010 um 14:58

Hello quattro.

Nice to have you here among all the other Touareg enthusiasts. Many of us can easily understand your emotions as we had two groups of Touareg-Freunde exploring Iceland by Touareg last year, too.

We would be glad if you should join our forum once in a while even though it is mainly a German forum L.

Best regards from northern Germany

Jan
